

APPROVED
Minutes of March 13, 2021
BEAVER DAM TOWN BOARD SPECIAL MEETING
Beaver Dam Town Hall, W8540 Cty Hwy W, Beaver Dam, WI

Meeting called to order 8:09 am.

Present: Chairman John Kuzniewicz, Elizabeth Kern, Joe Kern, Jeff Schmitt (Schmitt not participating due to his petition being on the agenda.), Clerk Kristine Klodowski. Absent: Dave Raue. Art Kitchen also present.

Notice of meeting posted March 11, 2021.

Petition received by Clerk, February 18, 2021, from Jeff Schmitt.

Discussion. After a site visit, there is a lack of flow, not a lot of debris in culvert. Schmitt indicated the culvert elevation on Hwy S and the railroad are at the same level. Intent is to have the pipes in there for a storm event or snow melt, as the capacity is not there and causes property to flood even more.

88.9 (third one) states can go on land to clean obstruction, but not at owner's expense. Kitchen indicated he is okay with cleaning the ditch, but not at his expense.

Schmitt to submit information for cleaning the ditch, as well as the option of another route.

Kuzniewicz

Issue order to clean the ditch.

Motion (J. Kern/E. Kern) to issue an order to clean the ditch. Motion carried.

Motion (J. Kern/E. Kern) to adjourn. 8:36 am Motion carried.

Respectfully submitted,

Kristine Klodowski, Clerk
